2. One of these rest homes is located on the main street, close to a pharmacy, in Calimanesti, on the Olt River, and directly south of the Carpathian Mountains. It is near the town of Ramnicul Valcea. The 20-room house is one of the former tourist hotels and is equipped with double bedrooms, dining room, kitchen, lecture room, library, etc.
3. Members of the Militia and the Security Police (Securitate) often attend joint pleasure excursions to the rest homes, as well as political conferences and cultural meetings. The speakers at these meetings are MAI members who are either on vacation themselves or who are assigned to special speaking tours. In May 1954, the lecturer was Col Stelian Tatu, President of the Central Council of the Dinamo Athletic Association, of the MAI.
